

## IL WING SUPPLEMENT 1 (E)

CAPM 39-1

20 February 2011

Personnel - General

### CIVIL AIR PATROL UNIFORM MANUAL

CAPM 39-1, dated 23 March 2005, is supplemented as follows:

**Table 6-4. Item 10, Column 5** (see note 3)

- Added:** **Note 3.** Distinctive unit insignia requires approval by the Illinois Wing Commander prior to the display and use.
- a. Once approved no changes in design of any kind may be made without resubmitting an insignia request through the chain-of-command for approval by the Illinois Wing Commander. This includes unit name changes or designations.
  - b. Insignia designs must conform to current USAF policies and regulations (AFI 84-105, *Organizational Lineage, Honors and Heraldry*) with regard to shape, colors, and design elements (contact ILWG/DA for further information). Subdued colored patches are not authorized at any time. Those insignia not conforming (shown below by an asterisk \*) shall consult with the Illinois Wing Commander before reordering their current insignia.
  - c. Units that desire approval (or design change approval) will:
    - 1) submit a high resolution color bitmap image of the insignia through the chain of command to the Illinois Wing Director of Administration (ILWG/DA).
    - 2) submit a memorandum requesting approval, which will include a description of the patch and a brief statement of the heraldry (meaning of the elements and colors in the design).
  - d. Once approved by the Wing Commander the ILWG/DA will return a certificate, signed by the Wing Commander, to the requesting unit for permanent file retention.
  - e. The Illinois Wing Commander authorizes wear of the following patches on flight suits and BDU's. (also see 'figure 6-20. Other Patches' for insignia image):
    - 1) Circular "Disney" wing patches (approved for wear by all members of Illinois Wing)
