Civil Air Patrol Vision

Welcome to CAPMart, your Civil Air Patrol apparel store. Our mission is simple: to provide you first-quality uniforms and accessories at a reasonable price, and a first-class service experience. Here is a major difference from other uniform suppliers: CAPMart returns profits to Civil Air Patrol programs! CAPMart only uses highly rated vendors and materials, so why settle for less quality for your dollar? CAPMart offers 24/7 on-line internet ordering through our web site www.capmart.org. For those that choose to call our customer service toll-free number 800-633-8768, our operators are trained to help you with your uniform needs. New this year, we now offer several methods of shipping and will accommodate overnight delivery requests.

For many years CAPMart profits have made possible cadet scholarships, funding for some cadet special activities, and added value to your membership. We know you have a choice of suppliers and we appreciate you trying our products and service. We pledge to exceed your expectations and eagerly await our chance to serve you!

Sincerely,
CAPMart staff

Shipping

The three primary methods used in shipment of merchandise by CAPMart are FED EX, UPS and the U.S. Postal Service. UPS policy is to attempt to deliver the merchandise a minimum of 3 times and then return the package to us. The Post Office generally leaves a notice concerning a package for pickup at a local office if it will not fit in the patron's mailbox. If a package is returned to CAPMart by UPS, FED EX or the Post Office because they could not be delivered (or the notice of attempt delivery was not responded to by the addressee) and the address on the package is correct, it will be necessary for the purchaser to send the amount of the original postage to CAPMart before reshipment can be made.
