MEMORANDUM FOR CROW WING SQUADRON COMMANDER

FROM: Minnesota Wing Commander.

SUBJECT: Squadron Patch and Shoulder Tab.

1. Sorry it took me so long to respond to your request, I mislaid it among some other papers.
2. I approve the squadron patch you submitted as designed. Please submit a letter to me explaining the heraldry behind the design of the patch.
3. I do not approve the Shoulder Tabs. Previous authorizations have required removal of distinguishing identification when out of the unit and when it no longer applied. I do not feel it is realistic to be removing these tabs
